

**High School - Blue Gum A-Z** (MM 1/4= 80 + 2nd time MM 1/4 = 100)

E A  
A long time ago the system needed to Be rejigged and slowed,  
cause some people were  
G E  
'C'-ing flaws in the system change was in Demand.  
E A  
Maur-ee-n and company they started up a pre school eff-iciently  
G E  
Sophia said "Gee, I'd like to be a part of this community"

C#m A  
(H)Ancient rules were locked away, faster than the blinking of an Eye  
C#m B7  
And they left the Jayded past behind because the future it was nigh

E A  
"Ok" they said and preschool construction was finally underway  
G E  
They saw the kids as LMNO people who had something to say  
E A  
Queuing to enrol the list was piling so incredibly high  
G E  
"Are the student's gonna fit" everybody questioned with a sigh

C#m A  
The essence of the school was replicated to expand community  
C#m B7  
They were making sure to use their brand of new philosophy

E A  
Learning journeys became a key, space and Venus both studied.  
G E  
The school expanded and teachers came and rocked the double ukulele

Now there's  
E (Hits) A  
Explorations, sport and yoga, artylogy,  
G A  
band, performing arts and science, maths, learning journey  
E A  
Share our lunch and do our Why-ze, check all the pets are fed  
G A E A G A  
Kitchen garden, French, Italian, Brendan's outdoor-zed.

It's the BlueGum A to Z (REPEAT WHOLE SONG FASTER)

**(Last time only)** E  
It's the BlueGum A to Z
